PULASKI MEMORIAL HOSPITAL PATIENT PORTAL

Pulaski Memorial Hospital is providing our patients online access to specific health information in their electronic medical record via a secure patient portal.

WHAT IS THE PATIENT PORTAL?

If you are admitted as an inpatient to Pulaski Memorial Hospital, you will be able to view the following information in your electronic medical record online after you are discharged. *Please note: It can take up to 36 hours after discharge for all of the following information to be available:*

- Allergies
- Medications
- Most Lab Results
- Summary of Care Document
- Discharge Instructions

Please note: Information from office visits to the providers in the Pulaski Memorial Hospital Medical and Surgical Group is not available via the Pulaski Memorial Hospital Patient Portal.

A limited number of same-day test and procedure results for outpatients will also be available online.

HOW DO I LOGIN?

If you provided your email address during registration, upon discharge you will receive an email from donotreply@pmhnet.com. Click on the link provided in the email and follow the step-by-step instructions that will be provided.

After you've created an account, visit www.pmhnet.com, click 'Patient Portal', then click 'My Hospital Connection'.

WHO SHOULD I CONTACT IF I WANT TO SETUP A PORTAL ACCOUNT OR HAVE TROUBLE LOGGING IN OR ACCESSING THE PATIENT PORTAL?

You may contact the Admissions Department at 574-946-2100.

WHAT IF I HAVE QUESTIONS ABOUT MY MEDICAL RECORD?

You may contact the Health Information Management Department at 574-946-2102 Monday-Friday from 8:00 a.m. to 4:00 p.m.

CAN I PAY MY BILL ONLINE?

Online Bill Pay is also available via Pulaski Memorial Hospital's Patient Portal. Creating a portal account will give you the ability to make online payments on any current or previous hospital visits that have an outstanding balance. A single patient portal login will give you access to your health information as well as online bill pay.

IS MY INFORMATION SECURE?

Pulaski Memorial Hospital's Patient Portal is completely secure, so you can be confident that your private information is always protected. Only the patient – or an authorized family member – can access patient information in an account.
